# Ready to transform digital healthcare?

When innovators and visionary leaders join forces, they create new solutions to today's challenges and drive us to a stronger future. That's why CHIME and HLTH, two trusted partners at the leading edge of healthcare and technology, have developed an unparalleled new opportunity to launch those game-changing conversations. At ViVE, enter an immersive environment where you'll engage with:

- Senior-Level Disruptors
- Institutional Influencers
- Executive Leaders
- Emerging Innovators

ViVE is a one-of-a-kind, collaborative experience designed to foster creativity, productivity and innovation in the digital health space. Join us to discover what the best minds in healthcare can create together.

# The ViVE Vibe

ViVE 2022 offers four days of energetic collaboration between leaders from diverse fields and perspectives in the healthcare/technology space.

You'll encounter unprecedented opportunities to explore rapid problem solving and business growth.

Make new connections in communal spaces and meeting rooms carefully designed to enable high-quality interactive learning and concept-sharing.

C-suite executives, senior digital health leaders, influencers and innovators will gather to experience:

- Inspiring content
- 1-to-1 curated matchmaking
- Creative networking
- Stimulating education

## CHIME's Signature Spring Forum

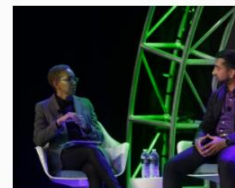

## Special Partner Events & Programming

## 1-To-1 Curated Matchmaking

## Mission- Driven Events

# About Us

Developed by healthcare transformation leaders HLTH and CHIME, ViVE is an annual event custom-designed for digital health leaders innovating across the spectrum of health and care. ViVE creates an immersive environment for networking and brainstorming with digital health's disruptors and influencers. Community, creativity, productivity, flexibility, and new ideas take center stage. Fostering interactivity and collaboration, ViVE is where the digital health community will come together to transform health and care. ViVE's inaugural event will take place March 6-9, 2022, in Miami Beach, Florida.
