

The Twelve Wishes of Christmas...
As told by a Risk Manager

- 1- *Water safety Intrusion Plan*
- 2- *Ergo Evals*
- 3- *Chemical Hygiene Plan*
- 4- *Wear PPE*
- 5- *“Free 5” Calls*
- 6- *Update Action plans*
- 7- *Use your “Safety Matters”*
- 8- *Follow OSHA Guidelines*
- 9- *Read your Risk Alerts*
- 10- *Use Exposure Funds*
- 11- *Student Resiliency Plan*
- 12- *Attend more trainings*

On the first day of Christmas my Districts gave to me: their water safety intrusion plan.

On the second day of Christmas my Districts gave to me: Ergo Evals. And their water safety intrusion plan.

On the third day of Christmas my Districts gave to me: Chemical hygiene plans, ergo evals, and their water safety intrusion plan.

On the fourth day of Christmas my Districts showed me they: Wear PPE, chemical hygiene plans, ergo evals, and their water safety intrusion plan.

On the fifth day of Christmas my Districts gave to me: "FREE 5" CALLS. Wear PPE, chemical hygiene plans, ergo evals, and their water safety intrusion plan.

On the sixth day of Christmas my Districts gave to me: updated action plans, "FREE 5 CALLS", wear PPE, chemical hygiene plans, ergo evals, and their water safety intrusion plan.

On the seventh day of Christmas my Districts gave to me: Use of "Safety Matters", updated action plans, "FREE 5" CALLS, wear PPE, chemical hygiene plans, ergo evals, and their water safety intrusion plan.

On the eighth day of Christmas my Districts gave to me: Followed OSHA Guidelines, use of "safety matters", updated action plans, "FREE 5" CALLS, wear PPE, chemical hygiene plans, ergo evals, and their water safety intrusion plan.

On the ninth day of Christmas my Districts gave to me: Read your risk alerts, followed OSHA Guidelines, use of "safety matters", updated action plans, "FREE 5" CALLS, wear PPE, chemical hygiene plans, ergo evals, and their water safety intrusion plan.

On the tenth day of Christmas my Districts gave to me: Used exposure funds, read your risk alerts, followed OSHA Guidelines, use of "safety matters", updated action plans, "FREE 5" CALLS, wear PPE, chemical hygiene plans, ergo evals, and their water safety intrusion plan.

On the eleventh day of Christmas my Districts gave to me: Student Resiliency Plans, used exposure funds, read your risk alerts, followed OSHA Guidelines, use of "safety matters", updated action plans, "FREE 5" CALLS, wear PPE, chemical hygiene plans, ergo evals, and their water safety intrusion plan.

On the twelfth day of Christmas my Districts gave to me: Attending more meetings, Student Resiliency Plans, used exposure funds, read your risk alerts, followed OSHA Guidelines, use of "safety matters", updated action plans, "FREE 5" CALLS, wear PPE, chemical hygiene plans, ergo evals, and their water safety intrusion plan.
