Organized and dependable candidate successful at managing multiple priorities with a positive attitude. Willingness to take on added responsibilities to meet team goals. Enthusiastic and eager to contribute to team success through hard work, attention to detail and excellent organizational skills. Clear understanding of given tasks and motivated to learn, grow and excel in the art and video game industries. Not to mention hardworking and driven to work quickly and effectively on projects in all types of environments.

## **Experience**

### **Salesman**

#### **2024-Current**

- Currently employed at Connect Mobile as a Salesman and Assistant
- Utilize effective communication and interpersonal skills to interact with customers on a daily basis
- Demonstrate strong salesmanship by understanding customer needs and recommending appropriate products and services
- Assist customers in selecting mobile phones, accessories, and plans that best suit their requirements
- Continuously stay updated on the latest products, features, and promotions offered in the store
- Collaborate with team members to ensure a positive and efficient shopping experience for customers
- Handle inquiries, resolve complaints, and address customer concerns in a professional manner
- Maintain a clean and organized store environment to enhance customer satisfaction

### **Howest University**

#### **2022-2023**

- Completed one year in the Howest University of Applied Sciences' DAE (Digital Arts and Entertainment) program
- Acquired comprehensive knowledge and practical skills in animation, serving as a foundation for a strong understanding of the field
- Developed conceptual design skills tailored specifically for video games, applying creative thinking to generate engaging and immersive game characters
- Collaborated with peers on various projects, honing teamwork and communication skills crucial for the dynamic game development industry
- Acquired a solid understanding of the principles and processes involved in creating visually compelling and interactive digital content
- Exhibited a passion for the intersection of art and technology, showcasing a keen interest in the application of animation and design in the gaming domain

### **School's Art Exhibition**

**10/3/2022**

- Participated in the prestigious annual school art exhibition.
- Created and displayed six original artworks, encompassing various mediums, such as painting, digital art and mixed media.
- Conceptualized and executed artworks with a focus on expressing emotions, narratives, and personal experiences, adding depth and uniqueness to each piece.
- Received commendation and positive feedback from both teachers and peers for the thought-provoking and visually appealing nature of my artwork.
- Engaged in the curation process, collaborating with fellow artists and organizers to set up the exhibition space to enhance the overall visual impact and coherence of the event.

### **School's Design Week**

#### **5/10/2019, Amman**

- Worked alongside a professional animator to create unique designs to translate artistic vision into visual medium.
- Designed procedures for storyboard composition, action creation and storytelling protocols to complete an animation project.
- Combined technical and artistic abilities to accomplish challenging animation objectives.
- Created sequences under tight deadlines and seamlessly integrated with other components.

### **Participated in the Jerash Festival**

#### **Al-Jeel Al-Jadeed Club, Jerash**

- Performed choreographed routines to Circassian music at Jerash.
- Picked up choreography moves easily and immediately incorporated changes in choreography or new moves by staying flexible.
- Developed professional relationships with different dance professionals, choreographers and performers by actively listening and effectively communicating.

### **School's Design Day**

#### **12/3/2018, Amman**

- Obtained approval of concepts by submitting rough drafts to management or to client.
- Developed design deliverables that elevated, differentiated and functioned on-brand and on-strategy.

### **World's Scholars Cup**

#### **2016-2017, Amman**

- Researched, wrote and filed fully fledged debates regarding politics, sports, scientific advances, and daily life.
- held a series of formal discussions on specific topics in private meeting rooms, where competing viewpoints were presented and argued, with a winner selected by a non-biased faculty member.
- Researched related themes in history, literature, science, and the arts, then used what I studied both cooperatively and competitively.

### **Education**

High School Diploma - The Ahliyyah School - Amman, Jordan First Year

of University – Howest University of Applied Sciences **Additional Skills**

-Fluent in Arabic and English

-Studied German for three years
