AN INNOVATIVE WAY TO MANAGE CASH

Fintechs can move any uninsured retail cash into FDIC-insured network member banks using IntraFi's Sweep service, which is the largest sweep program in the country. By moving excess deposits into the sweep service, fintechs can:

- Gain access to \$150mm+ of FDIC insurance through your preferred institution
- Earn fee income on unused deposits or access to low-cost funding
- Enable potential earning growth for their deposit customers
- Gain a higher yield while obtaining same-day liquidity
- Take confidence knowing your cash sweeps are supported using bank-grade

ONE CONNECTION. NEARLY 3,000 INSTITUTIONS NATIONWIDE.

The IntraFi network – which offers access to industry-leading levels of high-dollar, wholesale, FDIC-insured funding – spans the financial services spectrum from the largest global banks to the smallest community banks, as well as broker-dealers and fintechs.

This diverse network creates a synergistic ecosystem that helps participants thrive and control balance sheet liquidity levels on any given day, amidst varying market conditions and meets the most stringent levels of diligence from the largest, most complex banks.

MANY REASONS TO CHOOSE INTRAFI

As a trusted partner chosen by nearly 3,000 financial services companies, IntraFi connects institutions of all sizes to help them build stronger relationships with their customers, fund more loans, seamlessly manage their liquidity needs, and earn fee income. This gives each participant access to tens of billions of dollars in funding, the highest per-depositor and per-bank capacity, and the peace of mind of being able to make large-dollar placements.
