

# YOUR COMPETITION IS GAINING AN EDGE

THEIR SECRET IS ALL-IN-ONE SOFTWARE.

## gGastro®

GI practices all across the west are switching to the #1 EHR\* and all-in-one gastroenterology software suite. Discover how gGastro® is helping your peers boost efficiency and streamline workflows.

## “HERE’S WHAT YOUR PEERS ARE SAYING”

**“I enjoy using the gPM system because it’s so easy to use.**

We continue to receive great customer service and I appreciate the knowledgeable support team.”

**Amanda Medina**

Billing Supervisor  
Valley Digestive Health Center

“gGastro has been phenomenal and **enables me to spend more time with my patients.** It allows me to fully integrate my clinic with my surgery center, streamlining workflows.”

**Indraneel Chakrabarty, MD**

Trinity Medical Multi-Specialty Group

“gGastro is the only system gastroenterologists should use. In my experience, **it is the best and most efficient all-in-one system** that saves time and improves communication between the doctor and patient.”

**Roger Kao, MD**

Digestive Care Medical Center

“I have been using gAdvisor services for many years to assist in our MIPS reporting to CMS. **Their advisors are extremely knowledgeable, very helpful and always pleasant.** They make the whole process painless and even fun.”

**Scott Levenson, MD**

Digestive Care Medical Center
