

██████████ Entertainment Center will be a family-oriented environment where kids of all ages and their parents can enjoy activities like bowling, laser tag, video games, rock-wall climbing, and go-karts. ██████████ will be the only full-service entertainment center within 20 miles of the cities of Desoto, Cedar Hill, Lancaster, and Duncanville. Located at ██████████ ██████████, the land spans 31 acres and neighboring land gives potential for future expansion.

██████████ Entertainment Center will feature a large building next to a set of outdoor batting cages. There will be eight batting cages for customer use, featuring the newest technology available. Also outside will be a go-kart track, featuring two-seater cars on a simple course. Instead of being used for competition, the go-karts will be available for anyone to take a drive around the track. Inside, customers will find a bar featuring typical bar food and drink options such as pizza, wings, soda, and beer. ██████████ will also contain a boutique bowling alley with around 40 lighted lanes, each lane featuring comfortable couch seating for bowlers.

Another feature of ██████████ will be a laser tag area with the most up-to-date equipment for both children and adults. The building will also have rock-climbing walls and indoor trampolines. In the center of the entertainment center will be a combination of classic and modern arcade games, complete with a ticket system for exciting prizes.

In addition to these activities, ██████████ will offer five party rooms for events such as birthday parties, sports team celebrations, and banquets. Party rooms come with gaming packages and a high-quality dining experience, and ██████████ will provide photo and video of the events hosted.

██████████ would not be complete without its sit-down dining area featuring quality service and surrounded by big-screen televisions displaying local talents. Tucked in the corner of the building will be a cigar room, equipped with comfortable seating and a full-service bar for parents to relax while their children have fun. Throughout the building popular music will be played over a top of the line sound system.

The company's hour of operation will vary depending on school holidays but will be open seven days a week. Fridays and weekends ██████████ will be open from noon to midnight. Weekdays the hours will be noon to ten PM. During school holidays, these hours will be extended. Children of all ages are welcome to ██████████ Entertainment Center, but children under 12 must be accompanied by an adult.

Partnering with ██████████, ██████████ Entertainment Center will provide a unique and convenient experience for the Desoto, Lancaster, Cedar Hill, Duncanville, and area communities. Along with the entertainment value that ██████████ can provide, their 40 years' experience in the business puts ██████████ Entertainment Center on a path to success with the most in demand games, up to date technology, and enjoyable dining experiences.

The main goal of [REDACTED] Entertainment Center is to give area children something fun to do. In order to achieve that, it plans to offer bowling and laser tag leagues and video gaming competitions. [REDACTED] plans to use connections with local organizations and sports leagues to create a community environment that families will enjoy and want to return to. The company plans to keep prices at a reasonable level to ensure that families with low disposable income can enjoy [REDACTED] and to make a positive impact on the DeSoto, Lancaster, Cedar Hill, and Duncanville communities.
