### **Walker 15038 EPA Certified Standard Universal Catalytic Converter**

Are you looking for a new catalytic converter for your car that is actually on sale now? Then, you can go to Amazon and look for the special and best products. If your vehicle uses Pre-OBDII vehicles year 1995 or older, then you may consider buying Walker 15038 EPA Certified Standard Universal Catalytic Converter. The catalytic converter made out of stainless steel and aluminum. There's a special heat shield used for the device so it won't be too hot and it can be used for a long time. The catalytic converter works the best in Pre-OBDII vehicles. But you can also use it for other vehicles, as long as it fits the machine. Amazon gives 69% discount price for buying this product during the sale week. The original price is \$173.33. But, if you buy now, you only need to pay \$54.06. The company gives 5-year warranty including the structural integrity warranty of the catalytic converter up to 50,000 miles.
