

**NOTE: The content in this document was already used for a client in my previous work.**

Requirement:

1. Words should be around 35-55.
2. Use the merchant's name and coupon-related keywords (coupons, code, promo, promo code, coupon code, savings, free shipping, special offer, etc.)
2. Use our company's name or URL
3. Provide completely unique content each and every time (it will be the writer's responsibility to check for uniqueness against sites like Copyscape before submitting)
4. Use text formatting (bold, italics, caps) to highlight key words/phrases (once or twice).
5. Provide the Flesch Reading Score for each coupon; the score must be between 70-76. This is the freelancer's responsibility.
