### Hobbies and interests

**Music** Drumming for a lifetime.

I studied music at Central Ostrobothnia Conservatory for 3 years, and then moved to the Kokkola School Of Rock and studied there for 6 years. Drums were always my main instrument, but I also know how to play the guitar, bass and some piano.

Know my way around Logic Pro X for music production. Have released some music on Spotify.

**Photography** Digital photography and photo editing and manipulation. Currently rocking Canon.
