

## Right-sizing your stock levels is easy with Sage 100c and Sage Inventory Advisor

### What can Sage Inventory Advisor help you do?

- Improve fill rates.
- Reduce time spent on manual tasks.
- Improve efficiencies since it connects to Sage 100c.
- Free up cash instead of tie it up in inventory.
- Work anywhere, anytime using the cloud.

It's time to upgrade to  
Sage 100c.

**sage** 100c

In this article, we explain why SMBs  
should make the switch to Sage  
100c.
