

# We'll give you reason to celebrate.

Improve sales effectiveness. Lower warehouse operating costs.

Increase profits. (Clink.)

# A perfect pairing for wine & spirits wholesalers

MicroAccounting gives you the modern business systems  
& mobile sales & delivery apps you've been waiting for

## Reporting

View gross profit by product, route & supplier.

## Mobile sales

View history, open AR, last order & "deals." Place orders. Process returns.

## Mobile delivery

Enjoy "clean invoice delivery," payment capture, signature capture & perpetual truck inventory — including returns.

## Surveys

Collect competitive data, customer preferences & retail display info.

## Delivery vehicle management

Optimize routes. Access fleet inspection checklists, accident reports & maintenance logs.  
*Photo & geo tagging.*

## Pricing

Structure sales deals, chargebacks & promotions based on market changes.

## Replenishment

Optimize inventory levels & turns.

## Barcode-enabled inventory tracking

Increase warehouse worker productivity, reduce shrinkage & lower operating costs.

**We invite you to mingle with MicroAccounting.**

*Let's chat about how our solutions can help increase your bottom line.*
