

## ABOUT US

We're more than financial services. We're a not-for-profit, membership organization of Christians – and we're starting a new conversation about money.

## WHO WE ARE

We create financial strategies that help Christians be wise with money and live generously. We offer a broad range of financial products and services, including life insurance, annuities and mutual funds, plus tailored guidance from financial representatives nationwide. For more than a century, we've helped our member-owners show God's love to others by being good stewards of the gifts they've been given.

## A SOLID FOUNDATION

At Thrivent Financial, we think the numbers speak for themselves. We've consistently earned high ratings from independent insurance ratings analysts.<sup>1</sup> And our capital position is among the strongest in the industry. This means we have the money to keep our promises.

Our strength & reputation

<sup>1</sup> Ratings reflect Thrivent's overall strength and claims-paying ability but do not apply to the performance of investment products.

## OUR STORY IS DIFFERENT

We see money as a tool, not a goal. Our unique approach to blending faith, finances and generosity helps our members thrive, but that's only part of our story. We also support programs that help build stronger families, churches and communities. You could call it a fresh way to think about money. We call it *The Thrivent Way*.

### MEMBER'S VOICE

*"I went with Thrivent. Given its financial track record, and the recommendations that I got from people in my church, it wasn't a hard decision for me to make."\**
