FEATURES

**It's all in the accessories**

From removable housings and chest straps to suction cups and rechargeable batteries, mounting and using a GoPro camcorder with the right accessories is easy. Take video and photos of extreme sports like never before. A collection of mounts and accessories let you capture it hands-free — from a helmet, ski, surfboard and more.

Portable and easy to use

The world's most versatile HD camera for sports, wearable HD video and still photo camera rocks your world by recording spectacular stunts — hands free! Lightweight and portable with removable polycarbonate housing protects the camera and allows for mounting virtually anywhere.

**Hands-free mounting**

Because the mounting options are so vast, a GoPro is the way to go for any situation where you need to take spectacular, hands-free video or still photos. Mount to your chest, bike or ski helmet, wrist, car hood, surfboard — the options are endless.
