WHAT MAKES US DIFFERENT

Thrivent Action Team
Oshkosh, Wisconsin

When it comes to financial services providers, you have plenty of choices. But while others see money as a goal, we see it as a tool – for serving God, your family and your community.

THE THRIVENT WAY

Our mission statement guides us in all we do.

We are a membership organization of Christians, and our members are our owners.

Our purpose is to serve our members and society by guiding both to be wise with money and live generously.

We believe that all we have is a gift from God and that generosity is an expression of faith.

We succeed when our members, their families and their communities thrive.

We value our relationships, so we will:

Be trustworthy in character and competence, and

Act like owners and treat each other as owners, and

Live balanced and generous lives.

MORE SECURE, MORE GENEROUS

Research shows that Thrivent members are more financially secure and more generous than Christians who aren't Thrivent members.

In 2014 alone, Thrivent Financial and our members:

- Raised/donated \$209.8 million for member-chosen causes.
- Generated 10.7 million volunteer hours for programs in members' communities.

COMFORTABLE & CONFIDENT

Our research shows that how people feel about money is tied to their generosity, but those feelings aren't necessarily related to how much money they make. In fact, beyond a certain point, generosity doesn't go up as a person's income does – it actually goes down. We're exploring the reasons why. Meanwhile, we'll listen to your wants and needs, and partner with you on the journey to feeling more financially secure and living even more generously than you are today.

Each one should use whatever gifts he has received to serve others, faithfully administering God's grace in its various forms.
