

[FIRSTNAME],

On behalf of All Savers and Hat Trick Motion, welcome! As you know, Hat Trick Motion is included in your new All Savers insurance program. It's a great tool to get your staff more active, while they earn reimbursements for qualifying medical expenses.

To help you and your team get started, we would like to talk with you for 15-30 minutes. We've found that talking with program coordinators over the phone significantly impacts the success your team sees with Hat Trick Motion! During the call, we will:

- Outline the program benefits
- Review the starter kit you recently received (with Trio[®] activity trackers, distribution list, setup guide, etc.)
- Discuss how to successfully implement Hat Trick Motion
- Explain features of the Trio activity tracker
- Go over helpful online resources
- Evaluate next steps

Please let us know three dates and times this next week that you are available to talk and our team will confirm an appointment with you. Please also include your preferred phone number. We look forward to talking with you soon. Happy stepping!
