ABOUT ME

Architect and **Project Manager** with over 5 years' experience in his own architectural practice and collaborating with local firms. Skilled in the design and conceptualisation of projects, and with solid competence in technical consulting.

Team-oriented, seeking to grow professionally by participating in planning, consulting, design, construction, and other real estate services, as well as liaising with clients, partners, and other stakeholders.

WORK EXPERIENCE

Architect

ADGM arquitectura [01/2018 – 12/2023]

Granada, Spain

Developed and built a temporary installation and exhibition in a local art museum (Centro José Guerrero, Granada), which attracted a large number of visitors and received the recognition of important regional figures in the field of architecture.

Designed 6 private projects and took part in 5 national architectural competitions —winning first prize in one and being a finalist in another— while coordinating teams of 2-3 people. Worked within the residential and commercial sectors, covering new construction, refurbishment, heritage intervention, ephemeral architecture, and furniture.

Carried out 29 technical consulting assignments, including expert reports —which received positive feedback from lawyers regarding their quality—, georeferenced topographic surveys, building pathology diagnosis, application of urban planning regulations, and building assessment reports.

Successfully prepared and processed 23 energy performance certificates for residential and commercial buildings.

Advised on the acquisition of real estate on 6 occasions, resulting in a satisfactory outcome for the client.

Created 6 graphic design works including logos, posters, bookplates, and invitations.

Collaborating Architect

Various architecture firms in Granada [05/2016 – 09/2022]

Granada, Spain

Took part in 4 national architectural competitions, 7 housing and furniture design projects, and 3 refurbishment projects for commercial and other public buildings.

Museum Assistant

Parque de las Ciencias [11/2015 – 02/2016]

Granada, Spain

Organised guided tours of the museum for the general public and groups of different ages, nationalities, and needs, with great success in terms of attendance. Managed thematic exhibition equipment and facilities for educational activities, receiving positive feedback from visitors.

Graphic Designer

Paelearctic Films [10/2013 – 11/2013]

Cádiz, Spain

Created a logo for a documentary production company, having it successfully implemented on their website, audiovisual content, and corporate materials.
