

So Let Us Be Children

So Let Us Be Children

Jesus, you commanded them,
“Let the children come to me”
So let me be a child,
A child running to you
To be held in your arms
For behold, I am a child of God
And like a child of God I shall be

Be my joy from the past
Be my joy in the future
Be my present
Be present in me
You gave me this gift
Let me be a gift for thee

Let me be through you
And you in me
May your words be within me
Yes, be in my heart,
Be on my mind,
Let me be who you made me to be

Be here now
Be with me always
Separated from thee,
Never let me be
Jesus, You commanded them,
“Let the children come to me”
So like children, let us be
