## Cloud-based convenience, with digital signatures on demand

Can you manage your digital signing workflow process through traditional, hardware-based deployments? Of course you can, Adam.

But, why would you—when you can move it to the cloud and enjoy a convenient, fully-compliant, subscription service that makes it easier than ever to extend secure, instantly trusted digital signatures across your company?

That's what you get with **GlobalSign's Digital Signing Service (DSS)**. Read our data sheet to learn more.

[Tell me how it works](#)

Ditch the hardware, Adam.

Move to a convenient, always compliant, cloud-based solution like GlobalSign's DSS. Manage and scale your digital signature workflow, when and wherever you need it.

[OK, I want to get started](#)

Kind regards,
