TECHNOLOGY  
SOLUTIONS

# WHAT YOU CAN EXPECT FROM ITECH...

As your technology partner, we'll help you find solutions to streamline operations, improve productivity, protect your information and grow your business.

- ✓ Customer Focused
- ✓ Quality
- ✓ Respect
- ✓ Integrity

## WHY US?

By choosing iTech, you get the best of both worlds: the care and attention you want from a locally owned business along with access to a comprehensive line of technology and services to take your business to the next level. Our attention to detail, outstanding customer service, competitive pricing and industry expertise make us the best choice for technology solutions.

*"iTech's goal is to help your business create, share and protect your information...giving you peace of mind, so you can focus on your bottom line."*

- Mike Williams

## OUR STORY

### A TECHNOLOGY PROVIDER THAT FOCUSES ON SOLUTIONS

Founded in 2001, iTech is the area's largest and most experienced technology service provider. With offices in West Virginia, Ohio and Kentucky, iTech provides a range of services to more than 1,000 customers...from small offices to Fortune 500 companies. At iTech, we provide technology solutions for businesses to streamline operations and improve productivity.
