

# Elevate Your Mountain Adventure with the Ikon App

**Real-time updates on lift and trail status**

**Easily navigate the mountain with interactive trail maps**

## **Plan & Personalize**

- Track days skied at each destination
- Monitor Friends & Family ticket usage
- Check blackout dates and make reservations

## **Navigate in Real Time**

- See live location on the mountain map
- View current weather and mountain updates
- Check real-time parking availability

## **Explore & Shop**

- Reserve lessons, rentals, lodging, reservations and more
- Quickly access resort information, hours, and resources

## **Track & Connect**

- Log vertical feet, runs, speed, and altitude
- Create groups to compare stats and meet up with friends
- Climb the leaderboard and connect with the Ikon community

## **Easy Payments**

- Use the digital wallet and mountain credits
