

Ms. [REDACTED]:  
[REDACTED] regarding Israel. I appreciate [REDACTED]  
[REDACTED] entire families, including children and the elderly, [REDACTED] killed in their homes  
[REDACTED], [REDACTED] Gaza. [REDACTED]  
[REDACTED] it is [REDACTED]  
appalling that [REDACTED] Palestine Refugees [REDACTED]  
[REDACTED] a [REDACTED] re [REDACTED] human [REDACTED].

The Biden Administration has [REDACTED]  
[REDACTED] seen conditions get worse –  
violence is at record highs and many Palestinians [REDACTED] [REDACTED] [REDACTED]  
cease [REDACTED] fir [REDACTED] e [REDACTED]: [REDACTED] no [REDACTED].  
On February 15, 2023, I [REDACTED] along  
with 13 of my colleagues [REDACTED] would end U.S. contributions to UNRWA [REDACTED]  
[REDACTED]. UNRWA has a long history of employing people [REDACTED]  
[REDACTED], promoting [REDACTED] books, and using [REDACTED] schools [REDACTED]  
[REDACTED]. It is unthinkable that U.S. taxpayer dollars would be used to help fund such an  
organization. I oppose sending any money the U.S. cannot ensure will stay out of the hands of  
[REDACTED] those who aid [REDACTED].

People in Gaza [REDACTED] death [REDACTED] by U.S. taxpayer dollars. This is  
[REDACTED] acceptable. UNRWA has proven to be [REDACTED]  
[REDACTED] the prospect of repair. Simply put, it is time for UNRWA to be completely disbanded and  
replaced altogether.

Again, I value [REDACTED] me [REDACTED] as many Idahoans do.  
Please [REDACTED] hesitate to contact me in the future on this [REDACTED] issue.

Very Truly [REDACTED],  
James E. Risch  
United State Senator
