## THE DAILY TRIO

### WHAT IS THE DAILY TRIO?

The Daily Trio includes the Shower Gel, Body Lotion, and Fine Fragrance Mist. They create the perfect ritual for clean, moisturized, and beautifully fragranced skin when used together!

The essential 3-step ritual will provide her with the ultimate fragrance experience. By layering the three staple products, she will experience softer, smoother, healthier skin, and her fragrance will last all day!

### STEP 1: SHOWER GEL

Cleansing removes dirt and debris from the skin's surface and should always be the first step in a personal hygiene routine. Our Shower Gel gently cleanses the skin without stripping away its moisture. The luxurious lather will leave the skin feeling soft and refreshed.

Key Ingredients: Shea Butter, Vitamin E, Castor Oil, Aloe Vera

### STEP 2: BODY LOTION

Replenish the skin's moisture barrier with a hydrating Body Lotion. Our signature Body Lotion is the perfect daily moisturizer. Its non-greasy, fast-absorbing formula provides 16 hours of continuous moisture, keeping skin soft and smooth and retaining its elasticity.

Key Ingredients: Shea Butter, Vitamin E, Vitamin B5, Aloe Vera, Glycerin, Jojoba Oil

### STEP 3: FINE FRAGRANCE MIST

To complete the pampering experience, apply a spritz of our luxurious Fine Fragrance Mist. This mist will add a beautiful fragrance to skin and clothes. The fragrance will last even longer when combined with our Shower Gel and Body Lotion.

Key Ingredients: Aloe Vera
