The knit design of the shoes stretch to fit feet without losing shape. The breathable fabric also helps keep feet cool and dry, making them ideal to wear during warm days. When it's time to clean them, all you have to do is remove the insole before tossing them in the washing machine. They're not dryer-safe, though, so be sure to let them air-dry in the sun.

A pointed toe and a short flat heel lend the shoes an elegant look that dresses up a casual outfit and complements a more formal one. Headed to the office? Slip them on with [wide-leg pants](#) and a blouse. For a chic airport outfit, wear them with a [two-piece matching lounge set](#).
