I always get compliments on...

Tefal Pure Pop Slim Handheld Clothes Steamer

~~£49.99~~ **£34.99**, [Amazon](#)

“For a crease-proof, compliment-worthy wardrobe, a good [clothes steamer](#) is essential, in my opinion. It does all the heavy lifting, so my clothes look pristine – and means I don't have to faff about with an iron.

This one looks as good as the clothes it smooths and comes with a travel bag so I can slip it in my suitcase too. In fact, my friend has asked to borrow mine to use on her wedding day next week, proving that a good clothes steamer is a must for every occasion!”
