

This holiday season, the WVU Foundation has many reasons to celebrate. As we recognize our *60th anniversary*, we celebrate 60 years of building *treasured relationships* with dedicated friends and supporters.

We celebrate the *positive difference* you have made in the lives of students, patients, and residents of West Virginia and beyond.

We celebrate the *future*, knowing that, together, we will continue to make a difference in the lives of those touched by West Virginia University.

In the *spirit of celebration and gratitude*, we extend to you and yours the very best this holiday season and wishes for a healthy, prosperous new year.

Gary R. Pell
Chairman of the Board
