# THOMAS WRIGHT

Utah's Recognized Real Estate Leader

The questions are simple: If you were selling your home do you think it would sell for a fixed price or would it sell within a range of prices based on the quality of the marketing and the experience and negotiation skills of your agent? Does it matter to you if your home is photographed and videoed by internationally published and Emmy-award winning talent versus images from your mobile device? Would you prefer if your home was marketed on just 50 websites or on over 10,000? Good food for thought.

IMAGINE  
an agent relationship that  
appreciates in value.

Rooted in results, Thomas Wright's passion for helping his clients buy and sell real estate has led him to be named by esteemed brands such as Who's Who in Luxury Real Estate and America's Best as an industry leader not just in Utah, but around the world. His approach leverages the most comprehensive marketing and data strategy to bring qualified buyers to his clients' listings in all areas of Utah and at all price points.
