What does “first” mean to you?

As the nation’s first home care company, Interim HealthCare® is proud to be a pioneer in an industry that has transformed the way care is delivered. More than a number, first is a mindset that defines our business expressed in innovation, experience and trust.

INNOVATIVE CARE

We are constantly innovating the care process through forward-thinking practices that raise the caliber of care. Our HomeLife Enrichment® standard of care embodies this idea, engaging the mind, body, spirit and family to ensure an optimal care experience.

50+

EXTENSIVE EXPERIENCE

Since 1966, Interim HealthCare has been providing home healthcare, personal care and support, and hospice care to individuals nationwide. From highly specialized nurses and therapists to aides and companions, we offer a full continuum of care to those in need.

TRUSTED PARTNER

Dedicated to the local communities we serve, Interim HealthCare is recognized for its high standards in home care. Our professionals are rigorously screened and vetted to ensure they have the right skills, competency and personality to provide exceptional care to our clients.
