

SCHOOLMATE

Edgar Avalos Loaeza and Paul Salawu

WHAT IS SCHOOLMATE?

- **School Mate is an autonomous telepresence robot that can help college students be in multiple places at once.**

OUR MISSION

- SchoolMate's aim is to foster an excellent and memorable college experience by providing personalized services to help smoothen every college student's college experience.

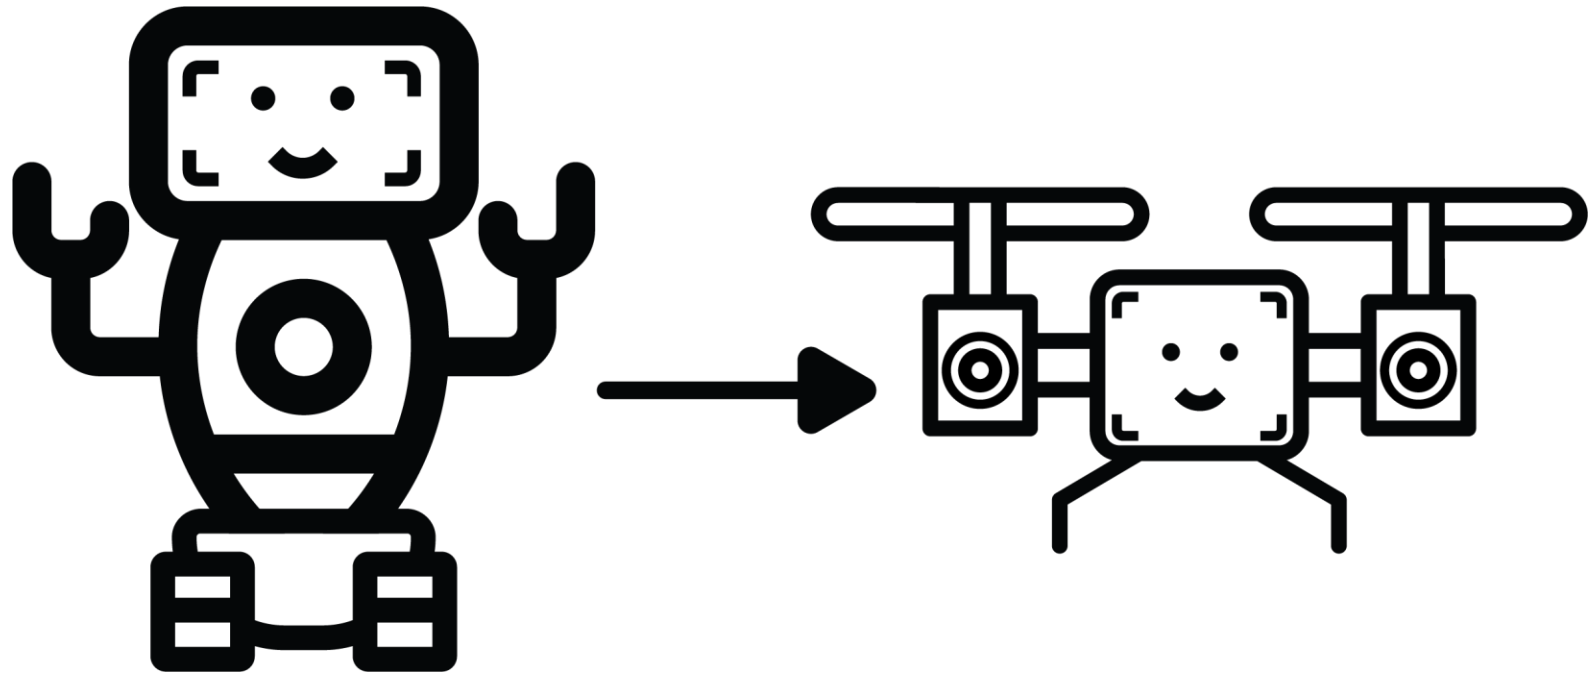

WHY SCHOOL MATE

- Fulfills the needs of the following CBU members:
 - student athletes
 - students in organizations
 - students employed in one or more jobs
 - parents.

OUR SOLUTION

- Customizable Appearance: Users will have the opportunity to customize their Mate
- 2 in 1 Drone: The head of the Mate will have the ability to detach as a drone. videos.

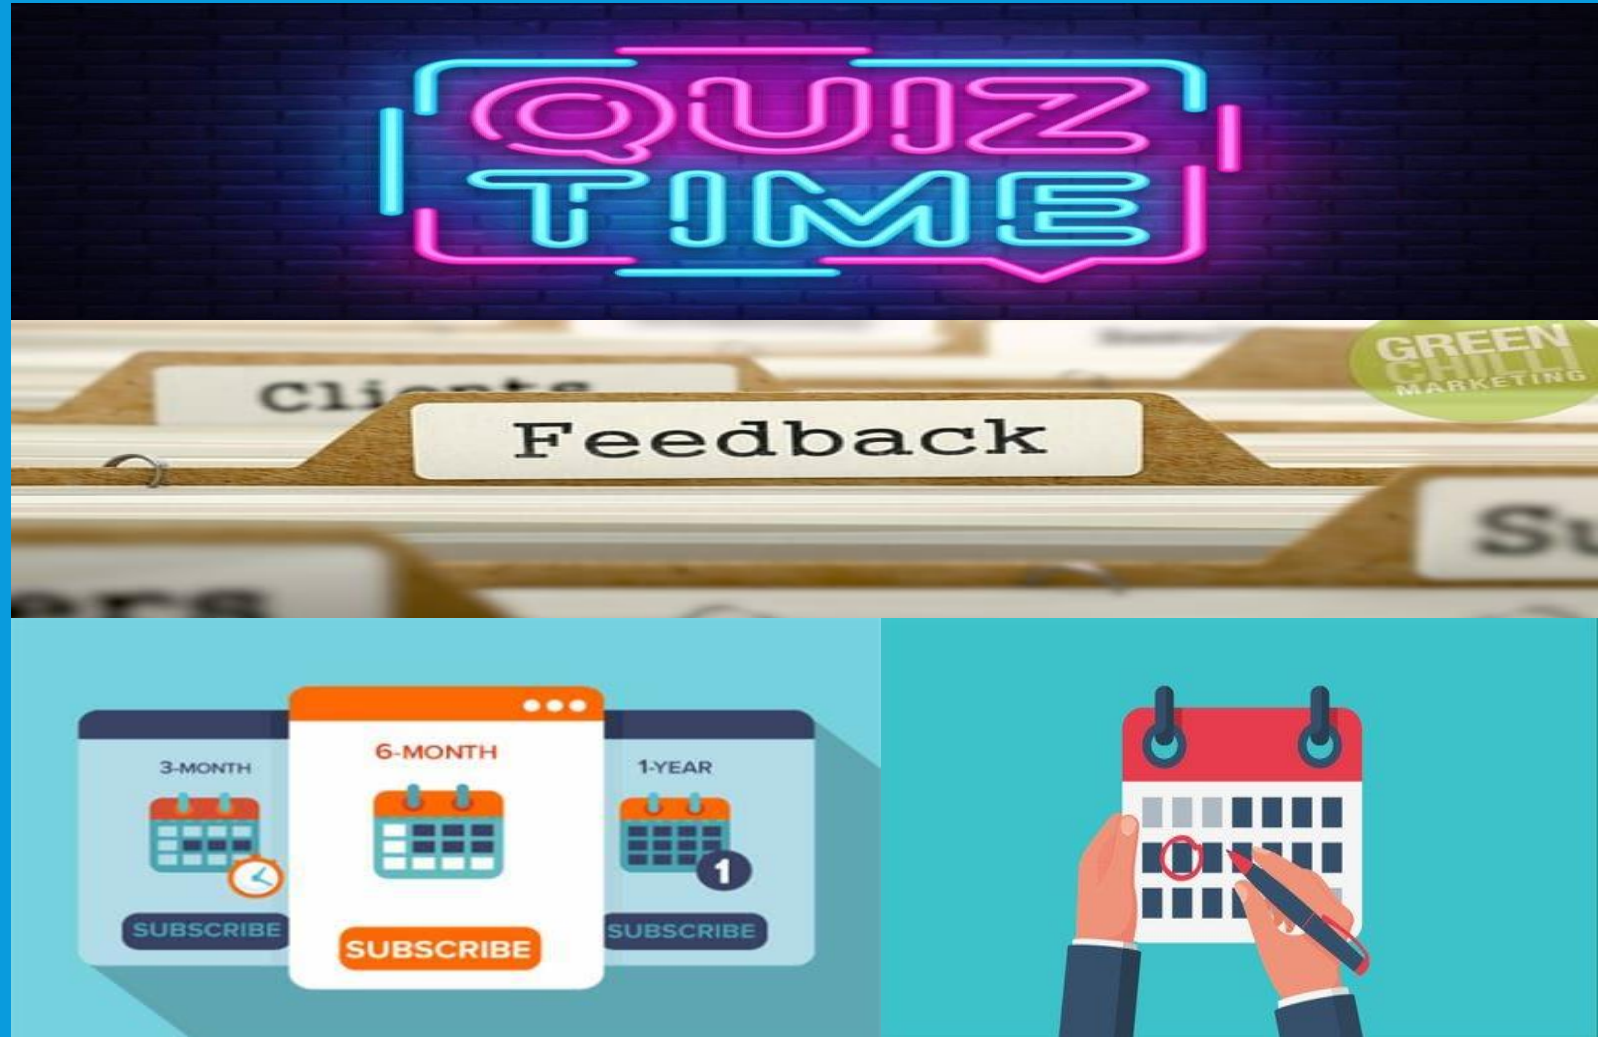

OUR SOLUTION

- **Live Translation**
 - Mate can translate in real time
- **Charge Stations:**
 - Charging stations at partner schools
- **Loyalty Program**
 - Points, badges, rewards

OUR SOLUTION

- **Buddy System:** helps you study
- **Feedback:** Instructors and coaches can directly speak to School Mate
- **Subscription:** Affordable for college students

TARGET AUDIENCE

Our primary audience includes:

- College Students: Athletes, workers, international students, creatives, parents, etc.
- Professors & Coaches.
- Colleges

UNIQUE SELLING POINTS

Personalization: School Mate will be customizable to its user's preference.

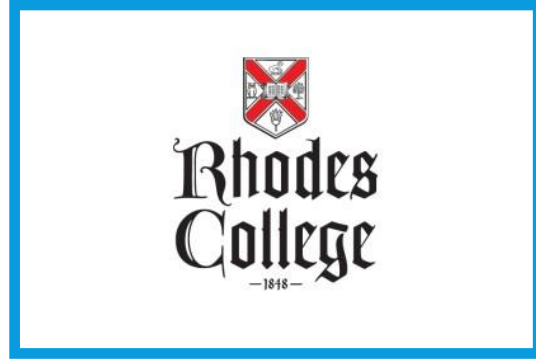

Fully automated: autonomous, only booking details (such as time and date needed).

Convenience: All data is saved to your account so you can view them at your convenience.

Adaptability: It has the capability to adapt to the community it find itself.

Predictability: SchoolMate will be able to use data to study patterns that are associated with you. These patterns will help it predict what you might be interested in.

Privacy: Data collected only visible to the individual user and whoever they permit to view it. Users have option to download all the data that has been collected about them.

TIMELINE FOR APPROACH

- Quarter 1 2025: Approach CBU with our ideas and plan to implement School Mate on its campus
- Quarter 2 2025: Touchpoint with customers to receive feedback about their experience so far and adjust its qualities to better serve them.
- Quarter 3 2025: Approach Rhodes College with our idea and implementation plan
- Quarter 4 2025: Approach University of Memphis with our idea and leverage our potential success story from CBU & Rhodes
- 2027: Work on devising plans to extend to University of Tennessee's campuses.

CONCLUSION

- Through School Mate, students can be their best version in all their commitments. We are convinced that this innovation will revolutionize the experience of college students.
