

PETER RABBIT TRUMPS!

YOU WILL NEED:

- Glue
- Thin card
- Scissors

Stick the back of the pages to thin card, then cut your collectable Peter Rabbit Trump cards out and challenge your friends in a fun game!

1

Shuffle the cards and deal them out face down to each player. Take turns choosing and reading a stat on your top card, to see if it is higher than your opponent's top card.

2

If it is higher, you take their card. If it is lower, they take your card. If it is the same, call out the next stat.

3

When you take a card, place the new card and the one you played with to the bottom of the deck.

4

The winner is the first to collect all cards!
