

# 2K DRIVE

LES-GO!

LEGO ALWAYS BRING OUT **CLASSIC GAMES**, AND THIS IS NO DIFFERENT. SURE, IT'S A **RACING GAME** AND YOU'LL WANT TO BE **WHIZZING PAST** YOUR OPPONENTS TO **TAKE FIRST PLACE**, BUT YOU CAN DO SO MUCH MORE!

**RACING, DESTRUCTION AND CUSTOMISATION** MAKE THIS GAME EPIC! YOU CAN RACE THROUGH **CITY STREETS** AND **SMASH INTO** SMALL BUILDINGS AND CARS TO **COLLECT BOOSTS** TO HELP YOU WIN! YOU CAN ALSO **BUILD CARS FROM SCRATCH**, AS IF YOU WERE BUILDING WITH REAL LEGO FROM A BOX.

THE **STORY MODE** IS COOL AND WORTH PLAYING, BUT IS RELATIVELY **SHORT AT 8-10 HOURS**. WITH **ONLINE PLAY**, YOU CAN RACE AGAINST FRIENDS, WHICH WILL HAVE YOU HOOKED ON THIS GAME FOR WAY LONGER THAN A FEW HOURS.

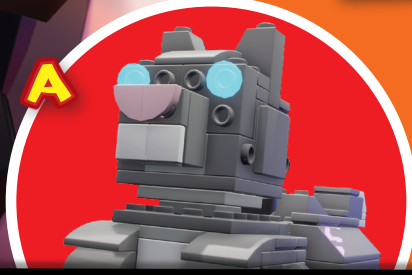

IF YOU LIKE **RACING, LEGO OR BOTH**, THIS GAME IS UP YOUR STREET! IT'S **FUN TO PLAY**, HAS SOME **GREAT TRACKS** AND WITH **TONNES OF CUSTOMISATION**, IT'S GREAT IF YOU'RE **CREATIVE, TOO!**

**SPOT THE FIVE DIFFERENCES IN PICTURE B.**

**OUT NOW!** **PLAYED**
