

MARVEL

ANT-MAN: THE STORY SO FAR!

ALL YOU NEED TO KNOW AHEAD OF **ANT-MAN QUANTUMANIA!**

ANT-MAN

Scott Lang becomes Ant-Man after **stealing a suit from Hank Pym** and discovering its power to **shrink** the wearer to the size of, you guessed it, an ant! Hank recruits Scott to become Ant-Man and steal villain **Darren Cross's Yellowjacket** shrinking suit which he plans to use for evil. Ant-Man fights an **epic battle** with Cross and **overrides the Yellowjacket suit** to shrink Cross to **subatomic levels**. Epic!

WATCHED

ANT-MAN AND THE WASP

Hank Pym's wife Janet has been **stuck shrunk to subatomic levels** in the **Quantum Realm** since the 80s. Ant-Man and Pym's daughter Hope, who is also **The Wasp**, agree to help find and **rescue her** but their tunnel to the **Quantum Realm** is **shrunk and stolen** by **Ava Starr, known as Ghost** - queue epic battles to get it back! Janet is **saved and brought back** to normal size and Ant-Man goes into the **Quantum Realm** to **harvest energy**, but as he does

WATCHED

The Wasp, Janet and Hank are all **vaporised by Thanos's snap**, leaving him **stuck there!**

ANT-MAN AND THE WASP QUANTUMANIA

Ant-Man was accidentally **released from the Quantum Realm** in **Avengers: Endgame** by a **rat** and was thrown back into reality **five years into the future**, meaning he **missed his daughter's childhood**. In the new movie, Ant-Man goes back into the **Quantum Realm** with his daughter, **Cassie**, and meets **Kang the Conqueror** who offers to give Ant-Man the gift of **'time'**. Ant-Man is warned **not to trust Kang**, but our hero wants to **get back the time he lost** with his daughter and will **stop at nothing** to get it back.
