

FORTNITE ULTIMATE DROP ZONES!

BRUTAL BASTION

PRO TIP: Sitting in the nearby mountains mean you can get some eliminations sniping down on players trying to loot Brutal Bastion!

LONELY LABS

PRO TIP: Lonely Labs is quite a small area, but there are so many nearby areas to loot so you'll want to move on pretty quickly!

THE CITADEL

PRO TIP: You can see enemies from miles off over the castle walls, so grab a sniper and defend the fort!

SLAPPY SHORES

Let's get that win!

Check these golden spots!

SHATTERED SLABS

PRO TIP: Shotguns are perfect to clear out the enemies in the tight corridors before digging for epic treasure in its many chests!

FRENZY FIELDS

PRO TIP: Once you've got a weapon, check all the buildings and clear them out as soon as possible!

NOT TOO BUSY

FISHING SPOT

COMBAT ZONE

PRO TIP: Slappy Shores is where they make Slap Juice, so you can expect to find a truck-load of it here!

MEGA CITY

PRO TIP: Land at a smaller tower, it will be less busy and you'll have time to loot before a firefight!

STEAMY SPRINGS

PRO TIP: Expect a fight at this spot, but if you prefer somewhere quieter to loot, the island to the south is normally ignored by other players!

WHERE ARE YOU DROPPING?

My top landing spot is ...

Drop in like it's hot!
