

PUT OUT THE FIRE!

ASK AN ADULT

YOU WILL NEED:

- Red paint
- Six paper cups
- Scissors
- Glue
- Small ball

PAINT your cups red, then leave to dry. **CUT OUT** the flames and **STICK** one to the front of each cup. **STACK** in a pyramid shape to set up the game!

To play, **ROLL** the ball towards the cups. **COUNT** the number of fallen cups to see how many fires you've put out! Keep track of the score using the chart.
