WALLS!

STRIKERS WIN GAMES,
DEFENCES WIN TITLES – WILL
THESE ROCK-SOLID PLAYERS
LEAD THEIR TEAMS TO GLORY
THIS SEASON?

**RUBEN
DIAS!**

Ruben has been the main man at the back for City this season as they battle to win the title for a fourth year in a row! Not many attackers get a sniff at a goal when he's playing!

**LEWIS
DUNK!**

Lewis has been in sensational form this season for Brighton. Not only is he a reliably good player, but he's also a leader that does everything for the club, including popping up with important goals from corners.

**VIRGIL
VAN DIJK!**

Virgil purrs like a tiger in defence and attackers have been frightened to go anywhere near him these last nine months. He's been a key reason Liverpool are doing so well!

**JARRAD
BRANTHWAITE!**

Jarrad has been a shining light for Everton this season. He's been the reason their defence has been so good, putting in big tackles and covering every blade of grass to stop attackers getting near his goal.

WILLIAM SALIBA!

He's looked so comfortable at the back for the Gunners this campaign and has made sure they're competing at the top end of the table. He's made the Emirates his home and attackers quiver when they see him on the team sheet!

DID YOU KNOW?

William Saliba used to play as a striker when he was younger and reckons he'd have been good enough to play up front professionally!

I knew that!

I didn't know that!

MILLIE BRIGHT!

Millie's power and footy brain make her a perfect centre back. This season has been one to remember as she's helped keep clean sheet after clean sheet in a bid to retain her WSL title with Chelsea.
