

# BENJAMIN'S NEW KITE!

YOU WILL  
NEED:

- Glue & scissors
- Paper
- 2 wooden skewers

Help make Benjamin's kite and fly it with an adult!

ASK A  
GROWN-UP

1

Carefully remove these pages from your magazine, stick the back to paper, then cut out your kite along the black dashed lines.

2

Snip the ends off the skewers, then stick them with tape to the back of your kite in a cross. Tie ribbon to the bottom of the kite to make a tail.

3

Tie string to each end of the skewers and tape in place. Tie the four lengths of string together over the centre of the kite, then tie a long length of string to the centre knot.

- Sticky tape
- Coloured ribbon
- Long length of string

Ask a grown-up to help fly your kite outside!

**WAIT!**  
FINISH THE ACTIVITIES  
ON THE OTHER PAGES  
BEFORE CUTTING OUT!
