

1/29/24 Governor's Brahman Breeders Taping Script

Thank you to...

...the American Brahman Breeders Association...

...for 100 years...

...of educating Texans...

...on the importance of Brahman cattle...

...and continuing to improve...

...this breed...

...to contribute to Texas' mighty economy...

...and promote the use of Brahman genetics...

...worldwide.

We will continue...

...to support...

...American Brahman breeders...

...and cattle registries...

...in the Lone Star State...

...& by working together...

...we will continue to grow...

...our booming economy.

Thank you again to the American Brahman Breeders Association.

May God bless each of you...

...and may He forever bless...

...the great state of TX.
