

## 4/3/24 TTPOA Annual Conference Taping Script

This is GGA.

TX is a law and order state...  
...thanks to your honorable service...  
...as members of law enforcement.

You put your life on the line...  
...to protect the people you serve...  
...everyday.

Congratulations...  
...to the Texas Tactical Police Officers Association...  
...on 40 years of ensuring...  
...that TX has the best LEOs...  
...with top tier, affordable training...  
...and congratulations to the LEOs here today.

You not only deserve our gratitude...  
...but our unwavering support as well...  
...as we continue to ensure TX LEOs...  
...receive excellent education and training...  
...and maximize communication and cooperation...  
...among TTPOA agencies.

With the rise of Mexican cartels...  
...violence is spilling from our southern border...  
...into communities across Texas.

Your preparation...  
...training...  
...and coordination...  
...is needed now more than ever.

Know this...  
...as long as I am Governor...  
...I will ALWAYS have your back.

I work every day to ensure LEOs...

...have the tools you need...  
...to protect your fellow Texans.

Thank you for your continued service...  
...and the sacrifices...  
...you and your families make...  
...to protect Texans...  
...each and every day.

May God bless you...  
...And my God continue to bless...  
...the great state of Texas.
