

## 2/27/24 Texas Science and Engineering Fair Taping Script

This is GGA

I am honored to welcome you all...  
...to the Awards Ceremony...  
...for the TX Science and Engineering Fair.

Congratulations on your achievement...  
...and excellence...  
...in essential STEM research...

Your hard work & dedication...  
...have earned you a spot here...  
...among the very best...  
...& brightest students...

...in TX.

I wish you the best of luck...  
...as you showcase your research today...  
...and continue to contribute...  
...so much...  
...to STEM in TX.

The future of Texas...  
...depends upon...  
...bright young minds...  
...for innovative solutions...  
...to the problems we face.

Each of you...  
...by pursuing careers in STEM...  
...are helping create...  
...an even brighter tomorrow...  
...for every Texan...  
...so... TY for your efforts.

And TY to the parents and teachers...  
...who have encouraged and supported...

... this next generation of Texans...  
...in their noble pursuit of knowledge.

May God bless you...  
...in your endeavors...  
...& may he forever bless...

...the great state of TX.
