

## Cliff Notes

You got my heart up on the line  
Been waiting for you all this time  
Ever since I saw you standing there

I cannot take it anymore  
You know I can't stand to be ignored  
I just want you here with me

Said I'm fallin' forever and I don't think you'll catch me  
Got the bruises to prove it  
Got me feelin' hopeless  
Won't you give me your hand, don't let me fall again  
Cuz I'm gon be too  
Far away...

I'm fallin' i'm fallin' i'm fallin' i'm fallin' for you  
I'm falling for you  
Oh yes I'm fallin' i'm fallin' i'm fallin' I'm fallin' for you  
For you

I know that lovin' you's a risk  
And i'm not one to be dismissed  
So why do you keep playin' games?  
Goin back and forth with ya lately  
Mayday! Mayday!  
Can you hear me?  
Cuz my heart is callin'

So I'm falling' forever but I don't think you see me  
Red is your favorite color  
From all of my bleeding  
Won't you save me from yourself  
Please make me whole again  
Cuz you hold the key to this heart  
Right from the start

I'm fallin' i'm fallin' i'm fallin' i'm fallin' for you  
I'm falling for you  
Oh yes I'm fallin' i'm fallin' i'm fallin' I'm fallin' for you  
For you
