

Who says New Yorkers aren't friendly?

When it really counts we're there for each other—like family.

Since 1880, The Salvation Army has been there too. Every day. Every month. Throughout the year. We do our best to keep New York strong—whether it's a bottle of water to quench the thirst of a firefighter, a place where seniors can find friendship, an emergency food pantry for families, or toys on Christmas morning.

Every year, you help us help 600,000 members of the New York family through over 140 community and social service programs.

Together, we can do so much good.
