

Marion City Schools Welcome Center

Student enrollments and transfers

910 E. Church St.

Marion, OH 43302

(740) 223-3882/223-4422

enrollment@mcspresidents.org

Marion City Schools' Welcome Center is the district's one-stop shop for student enrollment. All student enrollment and student transfers, whether within the school district or to another school district, are completed at the welcome center. This makes it easier for families who may have more than one student to enroll.

Please bring the information listed below to enroll a student so that we can register your student into our system.

Summer hours are 7 a.m.-4:30 p.m. Monday-Thursday. Hours during the school year are 7:30 a.m.-5:30 p.m. weekdays with the last appointment at 5 p.m.

While an appointment is not necessary, we ask you to please make one if possible by calling 740-223-3882 or 740-223-4422. This helps us register your child as promptly as possible. Appointments will take precedence over walk-ins.

Items to bring to registration

Original or certified birth certificate or passport

Proof of residency

Custody/guardian papers (if applicable)

Immunization records

Parent's/guardian's valid driver's license/state ID

Copy of IEP/ETR (if applicable)

About Marion City Schools

OUR MISSION

Inspiring a Community of Achievement

OUR VISION

Provide an innovative and rigorous instructional model to ensure each students' academic and personal development.

Collaboratively establish a safe, respectful and caring environment that promotes student learning.

Establish processes to communicate and collaborate effectively with stakeholders.

Manage and prioritize human and financial resources effectively to meet district goals.

Marion City Schools

Where We Inspire Students
And Prepare Them for Success

The Four Pillars of Success

Marion City Schools' mission statement is to inspire a community of achievement. While that means different things, we ultimately define that achievement for students as being prepared for success after they graduate. We came up with our Four Pillars to help them achieve that success.

Our Four Pillars follow four distinct themes including student leadership, research-based reading instruction and personalized learning. Our fourth pillar is Diploma Plus Acceptance. That means we want our students to leave high school with not only their diploma but also acceptance into a two- or four-year college, an adult training program, the military, or a high-paying, in-demand job.

That's just part of what makes Marion City Schools unique in the area. We offer innovative experiences, educational options and learning programs not available in surrounding school districts. We search for ways to prepare students for not only academic success but success in college and careers as well.

The Leader in Me

We empower students to be leaders by adopting FranklinCovey's The Leader in Me program in our elementary schools and LEAD in Grant Middle School.

Literacy Collaborative

Literacy Collaborative is a nationally recognized comprehensive literacy model. We have developed school leadership teams led by literacy coaches to help meet the needs of all learners.

Next Generational Learning Environments

NGLE classrooms personalize learning and introduce students to technology. We teach math classes in a station rotation model that uses adaptive curriculum, project-based learning and small group direct instruction methods.

Diploma Plus Acceptance

We have specifically designed our pathways and clusters around the high-demand jobs and opportunities that exist in Marion County and within a 30-mile radius.
