

**We're proud to support
the Academy of Certified
Brain Injury Specialists.**

The Brain Injury Association of America's Academy of Certified Brain Injury Specialists (ACBIS) is the largest national program providing education, training, certification, and ongoing resources for multi-disciplinary specialists in the brain injury community. ACBIS offers a voluntary certification program for professionals working in brain injury services to earn a nationally recognized credential: Certified Brain Injury Specialist (CBIS).

Get certified and join the 7,000 professionals with CBIS certification nationwide who are improving the lives of individuals with brain injury every day.
