

On Sunday, August 3, at 4pm, there will be a Special Bond Holder meeting. The purpose of this Special Meeting is to approve critical changes to our bylaws to enable effective use of modern technology in the conduct of the affairs of our Club. The Special Meeting convened on July 8, 2025 was adjourned because we did not have a quorum, which is defined in our current bylaws as at least 50 Maplewood Debenture Certificate (MDC) holding members present at the meeting. We are amending the bylaws to reduce this to a more manageable number of 10 MDC holding regular members and to enable member participation in future meetings by remote circumstances, amongst other changes.

If you are unable to attend this meeting, please fill out the Proxy and e-mail it to [JSchreyer@maplewoodcountryclub.com](mailto:JSchreyer@maplewoodcountryclub.com).

July has gone by in a flash but we still have many more fun events and tournaments going on in August! If you haven't yet, be sure to order a refreshing drink from our new frozen beverage machine! Go for a dip in the pool to cool off. Attend one of our many dining events or sign up for a tournament in August! **As a reminder, Play for Pink is open to all members--no handicap necessary.**

We hope you are enjoying your summer here and continue to do so for the rest of the season.

**Golf News**

The 2025 member guest season is complete and we had two great events. The Women' s Member Guest (Legends of Ladies Golf) was a fun event with Cathy Fischberg, Ratchanee Beson, Stephanie Moray and Debbie Rose winning the gross division and Mari Plotkin, Melanie Rosenbaum, Darlene Patterson and Erica Repetto taking home net division honors. The Men' s 2 Day Invitational had its biggest field ever and the crowning champions were Hayden and Brad Horowitz. I would like to thank everyone for participating and making both events a great success.

August is around the corner and below are the events that will highlight the month:

Men' s Senior Club Championship: August 2 and 3

Twilight 9 & Dine: August 7

Women's Member Member Championship: August 9

Play For Pink: August 12

Par 3 Championship (Men & Women): August 23

You can register for all of these events through Golf Genius or by calling the pro shop. Don' t miss out.

Finally, congratulations go out to Ysabel Liu for winning her first AJGA event. She was the girl' s division champion with a winning score of 16 under par. She shot a 66 in the second

round and a bogey free final round 65. Way to go Ysabel!

Thank you,

Michael Kierner

## **GOLF ETIQUETTE REMINDER**

What should I do if I don't know where my ball went? Hit a provisional ball if yours has gone out of bounds or might be lost. Assist players in search of a ball after you play your shot.

While someone is playing a stroke, give your partners time and silence while they are preparing and making their swing. Stay out of their peripheral vision and be mindful of your shadow (especially on the greens).

If your ball has clearly missed the fairway or green of the hole you're playing and it might have crossed onto another hole or green, be sure to loudly yell "FORE"! And, repeat that yell if you see that there are other golfers in the path of your errant shot.

Thank you,  
Tom Varga  
Greens Committee Chairman

After last Friday's storm, we lost about 10 trees from the high winds. Fallen branches and other debris have been cleaned up by the greens crew.
