

As our golf and racquets championship season concludes, we're entering Maplewood's "silly season." Join us for the Mayhem Cup (9/21), Night Golf (10/17), the Kids' Halloween Party, and the Trick 'r Treat Tournament (10/26).

We love seeing everyone enjoying their time at the new patio. It's been an exciting and enjoyable addition to the Club and gives us even more space to get together and socialize. So let's keep taking advantage of it while the temperatures are still comfortable!

**Golf News**

With Labor Day in our rearview mirror, club championship matches are beginning and the finals will be played on Saturday, September 20. Championship Saturday will be a fun day of play and spectating. We'd love to see all of you come out to watch the

matches. There will also be a champagne toast to our champions following the conclusion of play. We have already had a champion crowned. Marsha Solomon won the Women' s 9 Hole Club Championship. Congratulations, Marsha!

Below are other events to finish off the year. Please use Golf Genius to sign up for these events or call the golf shop so we can help.

**Men' s Beefsteak Member Guest:**  
Wednesday, September 24

**Night Golf:** Friday, October 17

**The Halloween Classic:** Sunday, October 26

**Turkey Trot Cross Country Golf:** Saturday,  
November 29

Thank you,

Michael Kierner

Golf Professional

## COMMON GOLF TOURNAMENTS EXPLAINED

There are many formats for tournaments and charity events. Below is a summary of some of the most popular formats for club and charity events:

- **Scramble:** This is a very popular format, especially for charity events. In a four-person scramble, all players hit a tee shot, and then the team chooses which ball to play. This process is continued until the ball is holed. One score is used for the team.
- **Shamble:** In a shamble, all players in a foursome hit tee shots. Then, the team chooses which ball to use. All players play their own ball from this point until the balls are holed. Each player will record a score (net or gross) for the hole played.
- **Better Ball (or Best Ball):** Each player in the group plays their own ball. The best score for each hole is entered on the card (net or gross).
- **Stroke Play:** Each player counts every stroke and the player with the lowest total wins.
- **Match Play:** Players compete hole by hole, so the player that makes the lowest score on a hole wins that hole. If a player has a lead of more holes than holes remaining, that player will win the match.

## Racquets News

**WE'LL MISS YOU,  
FLORIAN!**

Dear Maplewood Country Club Members,

It is with a mix of gratitude and bittersweet emotion that I announce that I have left my role as Director of Racquets at Maplewood Country Club to become the Director of Racquets at Orange Lawn Tennis Club.

For the past 15 years, you have welcomed me with open arms, making me feel like a true

part of the Maplewood family. Together, we have built countless memories and forged relationships that I will cherish forever. I am deeply grateful for the support, camaraderie, and shared passion for racquets that have defined my time here.

I am also confident that your new Director, Courtney Provan, will continue to grow the program in my absence, bringing her dedication and expertise to ensure its ongoing success. I will always consider myself part of this incredible community. I plan to visit periodically, reconnect with everyone, and lend a hand whenever needed.

Thank you again for 15 unforgettable years filled with growth, laughter, and connection. Maplewood Country Club will always hold a special place in my heart.

With heartfelt gratitude,

Florian Mihai
