

June - long days, short nights! Come out and enjoy all our beautiful club has to offer: golf, tennis, pickleball, the pool and delicious meals on our new patio! We have lots of events too: Wine Tasting, Comedy Night, the Women' s Summer Solstice golf event, the Men' s Beefsteak and so much more. See you at the Club!

## Golf News

The 2025 MCC WMGA Golf Team concluded another successful season of competitive matches. The team was made up of veterans and several new team members. Cathy Fischberg captained the team of Christine Annechino, Kathy Blackwood, Marli Craig, Sabina Certa, Barbara Colin, Erin Kouch, Joanne Lee, Lynn Levy, Jennifer Merchant, Wendy Rothenberg and Nyssa Salz. The combination of veterans and rookies kept pace with several teams with much more

experience and showed a great deal of promise for the future.

The 2025 Fred Baker Member Member Championship concluded and we had 3 teams compete in a sudden death playoff to decide the overall champion. The teams in the playoff were Phil Henderson and Bill Dahn, Steve Ralff and Bart Salant, Jay Rice and Jon Gross. Phil Henderson and Bill Dahn outlasted the other two teams to become the 2025 overall champions.

We still have many fun events coming up:

June 21 – Women’ s Summer Solstice Event

June 25 – Men’ s Beefsteak Member Guest

June 29 – Couples Championship

July 12 – 3 Club Tournament (for men and women)

July 18 & 19 – Men’ s 2 Day Invitational

Let’ s all remember 3 simple things to help keep our golf course in great shape. Replace your divots or use the divot mix from the carts, repair your ball markers and other ball markers you may see on the greens and rake the sand in the bunkers after you have played out of them.

Thank you,

Michael Kierner

Golf Professional

## **GOLF ETIQUETTE REMINDER**

### **GOLF CARTS**

Always use cart paths when available.

Use the GPS on the cart to guide where the cart can be driven.

Carts are not permitted on slopes next to bunkers and greens, and never on tees.

Take care in parking carts so that they do not block access to cart paths for other players/carts.

If an errant shot results in a need to drive onto an adjacent fairway where other players are actively playing, the players crossing over must wait until the active players have completed their shots before retrieving or hitting the errant shot.

Players must have a valid drivers license to operate a cart. Children must be 8 years old or older to ride in a cart and there is a maximum of 2 passengers per cart.

To keep up pace of play, players must be sure to take extra balls, tees, markers and clubs with them when parking carts and walking to the tee, green or fairway for their next shot.

Thank you,  
Tom Varga  
Greens Committee Chairman

## **Racquets News**
