

# ROSE, JASMINE & GINGER LILY BLEND

( *Rosa rubiginosa* • *Jasminum grandiflorum* • *Hedychium gardnerianum* )

## ROSE

*Heals + Conditions*

*An antimicrobial, ancient skin healer and hormonal skin balancer that helps moisturize and support healthy, youthful-looking skin.*

## JASMINE

*Renews + Replenishes*

*A rare and sought-after oil that promotes skin elasticity, increases cellular renewal, helps fade scars, and promotes moisture balance.*

## GINGER LILY

*Soothes + Softens*

*A beautiful essential oil with subtle floral notes that acts as an anti-inflammatory to soothe, tone, and rejuvenate skin.*

# ROSE, JASMINE & GINGER LILY BLEND

( *Rosa rubiginosa* • *Jasminum grandiflorum* • *Hedychium gardnerianum* )

## ROSE

*Heals + Conditions*

*An antimicrobial, ancient skin healer and hormonal skin balancer that helps moisturize and support healthy, youthful-looking skin.*

## JASMINE

*Renews + Replenishes*

*A rare and sought-after oil that promotes skin elasticity, increases cellular renewal, helps fade scars, and promotes moisture balance.*

## GINGER LILY

*Soothes + Softens*

*A beautiful essential oil with subtle floral notes that acts as an anti-inflammatory to soothe, tone, and rejuvenate skin.*

## ARGAN OIL

( *Argania spinosa* )

*Balances + Neutralizes  
Rich in antioxidants, Omega-6  
fatty acids, and Vitamin E, Argan  
Oil balances and neutralizes  
natural oil production, resulting  
in a more youthful, glowing  
appearance.*

MARULA OIL  
( *Sclerocarya birrea* )

Hydrates + Heals  
Marula Oil hydrates, reduces  
redness, heals, and improves skin  
elasticity. It absorbs easily into the  
skin, leaving a silky-smooth feel.

## MARULA OIL

( *Sclerocarya birrea* )

*Hydrates + Heals*

*Marula Oil hydrates, reduces  
redness, heals, and improves skin  
elasticity. It absorbs easily into the  
skin, leaving a silky-smooth feel.*

## SEA BUCKTHORN OIL

( *Hippophae rhamnoides* )

*Hydrates + Heals*

*A deeply nourishing oil that contains Omegas -3, -6, -9, and the rare Omega-7. Promotes skin hydration, elasticity, and skin regeneration.*

## FRANKINCENSE OIL

( *Boswellia rivae* )

*Repairs + Protects*

*Has the remarkable ability to increase blood circulation, which allows the serum to penetrate the skin's layers, reducing skin discoloration and imperfections.*

### MARIGOLD OIL

( *Calendula officinalis* )

*An antimicrobial, antiviral oil with gentle and cooling properties that treats inflammation and is exceptional for sensitive skin.*

### JOJOBA OIL

( *Simmondsia chinensis* )

*An emollient and one of the oils that most closely mimics skin's natural oils. It soothes skin, unclogs hair follicles, and provides skin with a soft, satiny finish.*

### ROSEHIP SEED OIL

( *Rosa moschata* )

*A quickly-absorbing oil that uniquely targets damage, discoloration, and fine lines caused by UV exposure.*

### LAVENDER OIL

( *Lavandula angustifolia* )

*A powerful ancient healing botanical with anti-inflammatory properties that calms, detoxes, heals, and improves skin circulation.*

### TAMANU OIL

( *Calophyllum inophyllum* )

*Derived from the large, blonde nuts of the Ati Tree, this oil has been used for centuries as a cure-all for skin conditions and is known for its remarkable healing powers and pain-soothing abilities.*

### ALFALFA

( *Medicago sativa* )

*Packed with nutrients including vitamins, minerals, saponins, and chlorophyll, this potent detoxifier promotes cell regeneration and treats dry skin, leaving it supple and hydrated.*

### VITAMIN E OIL

( *Helianthus annuus* )

*Helps prevent and repair free radical damage, boosts collagen production, supports new skin cell growth, heals, and treats wrinkles.*

ROSEMARY EXTRACT

( *rosmarinus officinalis* )

*An anti-microbial botanical that aids in reducing acne and preventing infection.*

GRAPESEED OIL

( *Vitis vinifera* )

*One of the lightest carrier oils available with maximum absorption and antioxidant properties. Also an excellent skin protectant.*

SHEA OIL

( *Vitellaria paradoxa* )

*This non-comedogenic, anti-inflammatory oil is composed of essential fatty acids that rejuvenate, moisturize, and heal skin.*

BERGAMOT FCF OIL

( *Citrus aurantium bergamia* )

*Balances oily skin, evens skin tone, unclogs pores, and is a natural cleansing agent.*

ORANGE OIL

( *Citrus sinensis* )

*An antiseptic and anti-inflammatory oil shown to boost collagen production and blood flow, as well as increase the ability to absorb Vitamin C - all of which are essential for anti-aging.*

VETIVER OIL

( *Vetiveria zizanioides* )

*A cicatrisant, meaning it heals scars by promoting the regeneration of skin.*

TURMERIC OIL

( *Curcuma longa* )

*A super-charged, anti-inflammatory skin brightener that helps fight free radicals and brings out skin's natural glow.*
