Our services change with your client's changing needs and include flexible hourly home care, around the clock support and hospice care.

Why Partner with Salus

Salus provides dedicated case managers who work to ensure your client's goals are met in a way that enhances quality of life and makes the care process easier and more efficient for everyone involved.

Our services include customized hourly home care, around the clock care and accredited hospice care. This continuum of care meets your clients changing needs with consistency, enhanced communication and a focus on dignity and quality of life.

Senior Care Professionals We Partner With Include:

- Financial Professionals
- Geriatric Care Managers
- Attorneys
- Workman's Comp Professionals
- Private Professional Fiduciaries

Our team is affiliated with the **Professional Fiduciary Association of California** (PFAC) and other select organizations that advance excellence in senior care standards and practices.

We are proud to be one of a select few hospice care providers in Los Angeles County to have earned a **4-star rating** from **Medicare's Hospice Compare**. This ranking is based on the quality of patient care, timely initiation of care, communication and consideration of patients' values and beliefs.
