The name's Alessandro. I deliver translations.

In a world where the demand for localized products is growing by the day, look no further for your translation needs: I am always willing to put my language expertise at your service in order to help you communicate better with your target audience, have your value perceived, and expand your player or customer base in the market.

Compliance with clients' guidelines is a must.

Accuracy and attention to context and details are paramount.

Flexibility in adapting to new guidelines, tools, and processes is a plus.

And I can provide you with all of them.

Education

Master of Arts in Technical and Scientific Translation – EQF Level 7 equivalent

Ca' Foscari University of Venice (110/110 with honours, awarded June 2011)
