

HIRE A BUBBLE CHARTER

CLIMB ABOARD YOUR EXCLUSIVE YACHT AND KEEP YOUR FAMILY AND FRIENDS SAFE!

Recent events have made travelling abroad a rather complicated matter, especially if you wish to travel safely with those you love.

Embrace the opportunity to relax with your nearest and dearest onboard a tailor-made bubble charter. You'll be able to spend time with your family and friends without the worry of social distancing, leaving all your cares behind.

Getting away on your own yacht, tailored to your bubble, is the perfect way to combine safety with luxury and freedom. A virus free yacht provides a safe haven to enjoy a range of entertainment and sporting activities, with so much to do you may not even feel the need to step ashore.

Experience luxurious accommodation

If you are in the mood to recover your sea legs but want to make sure your family and friends are safe, bubble charters offer you luxurious accommodation onboard your own yacht in beautiful waters anywhere in the world including the Mediterranean, Caribbean, South Pacific and the USA.

Appreciate the sights, lights and brilliance of the night skies with those you love the most. You can explore stunning beaches, incredible culture and secluded anchorages all while enjoying a real sense of adventure.

Sublime Yachts will help you find the best bubble charters to suit your group's needs. If you are uncertain of your destination, our knowledgeable team members will happily talk to you about all of the different options available.

Trust Sublime Yachts

Feel confident in our scrupulous standards of cleaning and maintenance and our routine health monitoring of all crew members.

Our partners have Covid-19 cancellation policies in place, with the flexibility to reschedule if government Covid-19 regulations change. We also offer a range of deposit arrangements.

Please get in touch to find out more about planning a bubble charter and how we will guarantee the security of your bubble on board our luxurious chartered yachts. We look forward to hearing from you.
