RESHMA ROCKIE GEORGE

Broker Research Correspondent

Summary

I aim to work in an organization that can provide me with growth opportunities and enhance my knowledge and skills to meet the challenges faced by a journalist. I aim to grow in every aspect of my life.

Work Experience

- 2022**
-
Present
- Broker Research Correspondent**
Thomson Reuters
- Wrote up timely stories on forecast changes from brokerages depending on Central Bank commentary, Index moves, or GDP data
 - Met quality targets for accuracy and speed, and trained new members of the team
 - Built and maintained market contacts as well as sources which helped enhance timely coverage
 - Kept slots diligently, published macroeconomic alerts, reached out to analysts for notes, and prepared street view assignments daily for the team
 - Used acquired skills from U.S. snapping for smoother functioning of the team
- 2020**
-
2022
- Correspondent**
North America Headline News
Thomson Reuters
- Met quality targets and reported news as a part of the U.S. Consumer team
 - Took charge of snapping coverage of the daily figures disseminated by the Centers for Disease Control, on the novel coronavirus statistics
 - Led shifts and made sure that coverage from the U.S. snapping team went smoothly
 - Kept slots diligently, published stock snaps, made snap plans, and prepared CDC templates daily for the team
 - Trained new members of the team
